

Impact Report 2021

Inside the new Manresa building

Appreciating the Generosity of our Community

Christopher Callinan
Chair, Xavier College Foundation

As we approached 2021 with hope the coronavirus pandemic would be over and life as we once knew it would be ours to enjoy, we again found ourselves facing the reality that this was not to be.

The effects on our community both socially and financially saw the Xavier College Foundation again give a great deal of thought to its activities in 2021, both in how best we could support our families in need and in terms of managing our investments.

The Investment Committee led by Paul Ferla was able to gain good results with an increase of 16% and 15% respectively on our Ignatius Education Fund and Endowment Fund. Our corpus is now over \$53,000,000 and I thank Paul and his Committee for their ongoing work to ensure the best for the College.

Our Inspiring Excellence appeal Patrons, Lawrence & Anna O'Halloran kicked off the appeal in May and I extend my sincere gratitude to all supporters of the Xavier College Foundation in 2021 with over \$254,000 raised. An overall total of \$2,061,067 was received into the Foundation to our various funds. This was a wonderful result and on behalf of the Foundation Board we thank you sincerely.

The Foundation Board, Investment Committee and Advancement Committees together with the dedicated work of our Foundation and Community Engagement team members are committed to the work of the Foundation and the philanthropy of the wider Xavier Community.

Heritage Buildings

Heather Murphy
Foundation Administration and Finance

We continued to raise much needed funds to assist in the upkeep of our beautiful Heritage Buildings at both the Senior Campus and Burke Hall.

Your contributions go a long way in assisting the College with this task and during the year we were able to do repairs to the West Wing Gable Ends and Finials as well as repairing loose render and cracks.

We are currently awaiting on heritage approval for the design and installation of additional handrails to the two main staircases in the West Wing.

We look forward to keeping you informed of the ongoing progress of these projects, and we thank you for your commitment to our Heritage Buildings.

INSPIRING EXCELLENCE IN 2021

Shane Healy
Executive Director, Xavier College Foundation

At the end of 2020 we all hoped that 2021 would see our community enjoying a year free of the coronavirus but alas it was not to be. The College, its staff, students and our wider community rallied and I am pleased to say the Xavier Foundation and all at the College were thrilled by the generous response of the Xavier Community to our annual *Inspiring Excellence* appeal.

We thank our Patrons, Lawrence & Anna O'Halloran for supporting the *Inspiring Excellence* appeal in 2021.

The total number of individual donors in 2021 was 276, with 40 of these who had never given to the College before. With donations spanning from \$25 to \$30,000, every contribution was significant, and all of these very generous donations will continue to create opportunities and enrich the lives of our current and new students.

The Class of 2016 continues its contribution toward the Class of 2016 Bursary raising just over \$27,500 again this year. This is a wonderful result, and they are fast approaching their target of making this bursary in perpetuity.

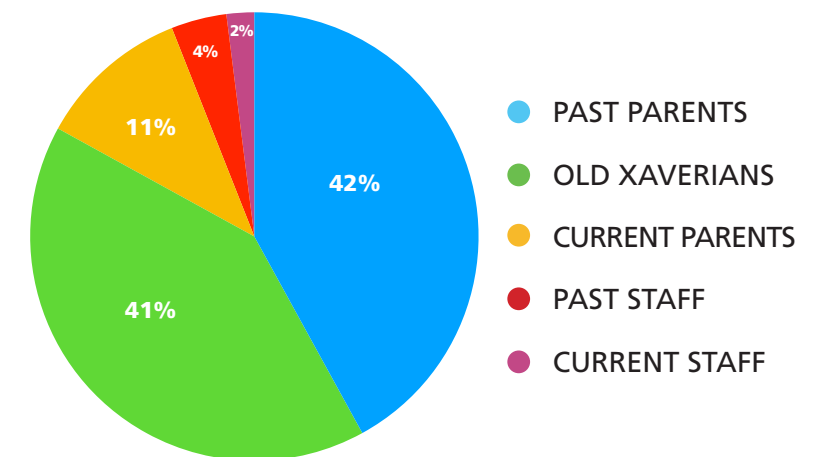

The Class of 2017 make their contributions to the Leavers Bursary, and this also continues to grow towards a bursary in perpetuity.

Our Indigenous Bursary is gaining momentum with just over \$29,000 raised this year and it is hoped that we will be able to offer this to coincide with the opening of the new Year 7 & 8 Kostka Building in 2024.

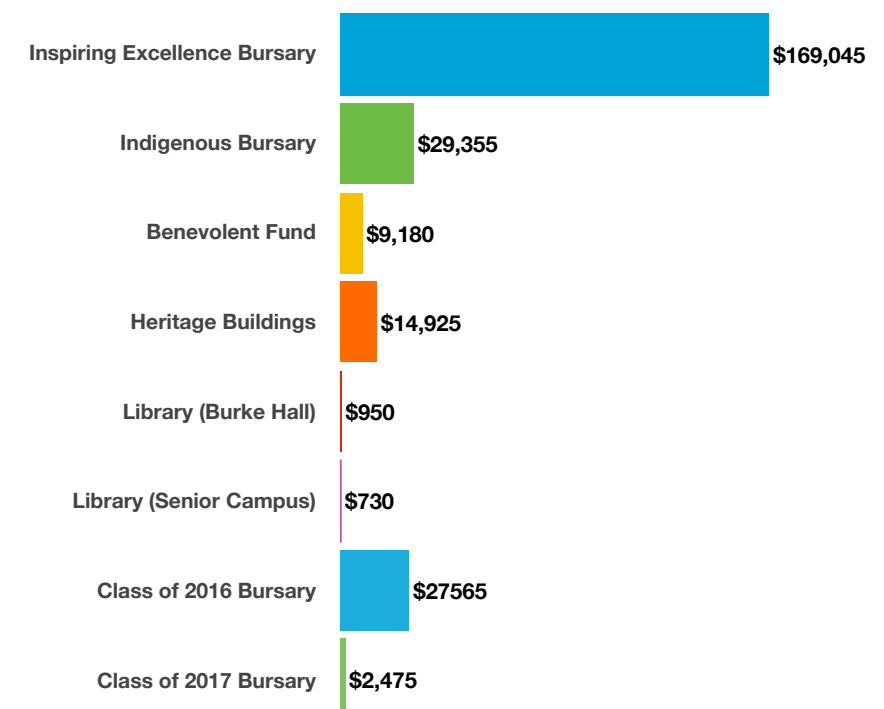

We continue to offer you the choice to support our other programs such as the Heritage Buildings, Benevolent Fund and our Libraries which allows us to assist these projects with much needed funds.

As I thank you all again for your generosity in 2021, I am reminded that our community is blessed to have *Men & Women for Others* who continue in the true Jesuit tradition by continuing to support the Foundation and College. The Foundation continues to be humbled by your generosity and may God bless you all.

Investment Performance

Heather Murphy
Foundation Administration and Finance

In a year where we were again impacted by the coronavirus pandemic, our Investment Committee were again working behind the scenes managing the Foundation's investments.

Foundation Investment Chair, Paul Ferla, and his committee of Patrick Cody (OX 1983), Ben Dalling (OX 1990), Anthony Garvey (OX 1978), John MacKinnon (OX 1990), Andrew Polson (OX 1990) and Michael Batten (OX 2016), worked tirelessly to ensure the investments of the Foundation were in a sound position.

At 31 December 2021, the Ignatius Education Fund corpus was valued at \$28,404,040 an increase of 16.30% from the previous year.

The Endowment Fund corpus was valued at \$24,926,995 at 31 December 2021, the Committee again achieving an increase of 15.47% from the previous year.

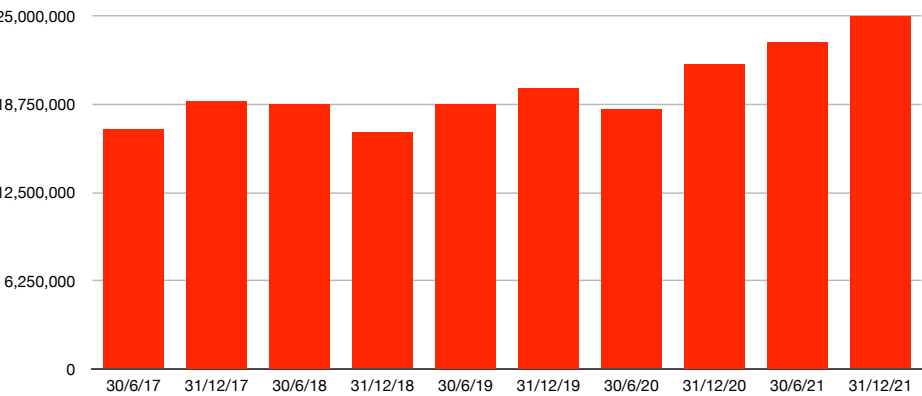

It was pleasing that in another difficult year, the Foundation made a distribution to the College of \$1,714,876 of which \$802,289 came from the Endowment Fund and \$913,587 came from Ignatius Education Fund.

Paul and his Committee have again achieved wonderful results for the Foundation, and we thank them for their ongoing support, hard work and their commitment to the Foundation, to ensure the best results for the future of the College.

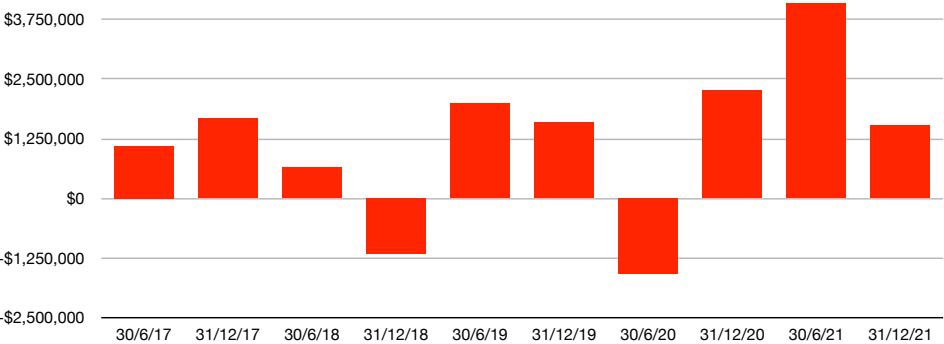

Following is a graphical depiction of the performance of the Endowment & Ignatius Education Funds over the last five years.
